

Medical Associate Librarian Head of Public Services

Position # 39350

This year, the University of Central Florida College of Medicine welcomed its inaugural class of medical students. These students are trailblazers – working with our faculty and staff to create a model medical school for the 21st century. We are dedicated to becoming a national leader in education, research and patient care.

The UCF College of Medicine is seeking applications for a team-oriented, forward thinking, technology loving Public Service Librarian. This is truly a once in-a-lifetime career opportunity to build and develop a virtual and physical library space with an excellent team of faculty, staff and students. If you possess a strong public service perspective, experience and enthusiasm for delivering services, please apply today!

The successful candidate for this non-tenured track faculty position will be responsible for planning, delivering and coordinating all public services functions. Applicants are required to have a Master's degree in library or information science (MLS or MSLS) from an ALA accredited program and three years of public service experience in an academic, medical academic, or hospital library. AHIP certification is preferred, but not required. However, it is expected that the successful non-AHIP candidate will work toward achieving certification in a timely manner.

All application applicants MUST apply through <https://www.jobswithucf.com/applicants/Central?quickFind=73840> Cover letters, CV/resumes, and other documents can be attached through the www.jobswithucf.com website. For additional Information please contact COM-HR Faculty Recruitment: 407-823-4073.
